Sub: Request to allow reopening of Admission Portal  
Reference: Letter No. NIL Dated 10.09.2021 (Enclosed)

Respected Sir,

This is for your kind information that the Colleges affiliated to West Bengal State University have initiated On line UG admission following the guidelines and schedule specified in the notification of the Higher Education Department, Govt. of West Bengal. With reference to the above, the All Bengal Principals Council, West Bengal State University Unit had communicated to the Hon'ble Vice Chancellor that most of the Colleges have exhausted the Merit list for admission to Honours courses after publication of second or third merit list. Under these circumstances a large number of seats in the Undergraduate courses of the University are lying vacant.

In view of the above, I am directed to request your kind self to kindly allow the Colleges to reopen the admission portal of the colleges in order to invite fresh applications. This would help the colleges to fill the vacant seats after exhaustion of the merit list and enable the eligible students to pursue higher education.

With warm regards,  
Yours sincerely

To  
The Hon'ble Vice Chancellor,  
West Bengal State University,  
Barasat,

**Sub: Request to allow reopening of Admission Portal.**

Respected Madam,

This is for your kind information that all the colleges have initiated the online admission following the Guidelines and Schedule of the University. However, most of the colleges have exhausted the Merit List for admission to Honours Courses after publication of second or third Merit List. Under these circumstances a large number of seats in the Undergraduate courses of the University remains vacant. In some cases, students whose names appeared in the First Merit List but did not take admission are now desirous of admission in the same colleges and are appealing to the authorities for the same.

We, on behalf of All Bengal Principals' Committee, West Bengal State University, therefore would request your kind self to allow us to reopen the admission portals in order to invite fresh applications and also to allow admission to students in the First Merit List to take admission after the exhaustion of the Merit Lists.

This, Madam, would be a great help for the colleges to fill a number of vacant seats.

With warm Regards,

Yours sincerely,
